

Learning Facilitator

Infinity Unconventional Education

Milan or Rome - on Site

PROFILE

We're combing the world looking for a terrific Corporate Learning & Development Facilitator who is driven by hard work and willing to exclusively integrate in a most creative, unconventional, forward-thinking Group, and willing to relocate to sunny Italy!! (Branches in Rome, New York, Milan)

US

We bridge Learning methodologies, Purpose and Corporate Growth

We challenge ourselves to create ideas and learning programs that are so chillingly good they make us inimitable.

We connect brands and people in authentic ways that give real value to both.

Hi. We're Infinity Worldwide.

That's what we do

YOU

You are a force of nature

a caring consultant, a caring facilitator, a passionate lover

A ball of fire who gets a project and goes hard after it, without having their hand held every step of the way

You are loyal, with a head full of ideas, unassuming, fun to be with.

Ready to surf the future rather than busy pinning down your securities.

THE JOB

Transform any learning experience into behavioral change,

Create and maintain business relations with corporate clients.

Carry out accurate needs analysis and activate proper channels to offer awesome, cost effective, fit for purpose, timely solutions in L&D and OD.

MUSTS

2+ years of experience in stand-up facilitation and behavioral training,

Will to travel and relocate

and Yes!... You really need to command at least two languages as native speaker

If you also speak Italian, it will make your life easier.

PERKS

Full-Time Position in Rome and/or Milan

Induction period. Disproportionate Feedback

Compensation Plan to reflect merit, not status

Sounds like your kind of challenge? Apply by sending your CV to c.dhromaj@infinity.it
